

Accident Register

49 CFR 390.15(b). Record every accident on a public road involving a commercial motor vehicle that resulted in a fatality, an injury treated away from the scene, or a vehicle towed because of disabling damage. Keep each entry, with copies of all accident reports, for 3 years after the accident. Keep this register even if it is empty.

Company name			USDOT number			Year(s) covered	
Date	City and state	Driver name	Injuries (#)	Fatalities (#)	Hazmat released? (Y/N)	Towed? (Y/N)	Report # / notes

If no recordable accidents occurred during the period, write "NONE" on the first line, sign, and date.
