

Driver Vehicle Inspection Report (DVIR)

49 CFR 396.11. Property carriers: a written report is required at the end of each day's work only when a defect or deficiency is found. Defects must be repaired, or certified as not needed for safe operation, before the vehicle is driven again. Keep the report and certification 3 months.

Company

Date

Odometer

Truck / tractor unit #

Trailer unit #(s)

Location

Check any item with a defect or deficiency that would affect safe operation or cause a breakdown
