

Certification of Road Test

49 CFR 391.31(f). Give a copy to the driver and keep the original in the driver qualification file. A valid CDL may be accepted instead of a road test (391.33); if so, keep a copy of the license and note the decision.

Driver

Driver's name

Social Security number (last 4 acceptable if the file identifies the driver)

Operator's or CDL number

State

Class / endorsements

Test

Type of power unit

Type of trailer(s)

Date of test

The road test covered, at minimum (391.31(c)):

- ☐ Pre-trip inspection
- ☐ Coupling and uncoupling combination units (if applicable)
- ☐ Placing the vehicle in operation
- ☐ Use of the vehicle's controls and emergency equipment
- ☐ Operating in traffic and while passing other vehicles
- ☐ Turning
- ☐ Braking and slowing by means other than braking
- ☐ Backing and parking

Comments and deficiencies noted

Certification

It is my considered opinion that this driver possesses sufficient driving skill to operate safely the type of commercial motor vehicle listed above.

Signature of examiner

Examiner's name (print) and title

Company

Road test waived on the basis of a valid CDL under 391.33: ☐ Yes License copy placed in file on: _____ By: _____
